DIRECTIONS & SUPPLIES

SUPPLIES

- POSTER BOARD/CARDBOARD
- GLUE/TAPE/ADHESIVE
- SCISSORS
- MARKERS
- DECORATION: GLITTER, STICKERS, CRYSTALS, FEATHERS, LEAVES, TWIGS – **BE CREATIVE WITH WHAT YOU MAY ALREADY HAVE AROUND YOU!**

DIRECTIONS

- Pages 1 - 4 are examples of what you can do but you are not limited to this. Use your creativity! Social media is visually driven! Be as simple or grand as you'd like. Use magazine photos or free images.
- Page 5 is an informational sheet that you can handwrite on poster board and display OR print it at your local print shop and display.
- Page 6-8 are components in different sizes to use: our logo indicates our nonpartisan nonprofit charity for which you are a volunteer of, and the QR code for **online voter registration**.
- **Cut a good sized hole in the center for folks to take selfies! Be sure to GLUE to QR code where it can be seen in the selfie. Tell folks the purpose is for them to make a difference to get folks to register to vote so don't crop out the QR code or URL.**
- **Post with #NJVotes #NJElections #ATNJEF**

NOTE: Marches do not allow signs with sticks or wooden dowels. Only hand-held or wearables are allowed. You can also do a double wearable poster board.

WANT TO WEAR A BADGE?

You need not have a badge but strangers feel more confident when they can see who is providing them information and establish the legitimacy.

This badge is for 3x4 inches using Avery 5392 BUT any brand/vendor providing the same name card dimensions as the Avery will work. You can also print on regular desk top paper and reduce your printing scale to fit whatever badge size you have.
