VOTER REGISTRATION DRIVE INFORMATION

DOs and DON'Ts

- Before the applicant leaves, check to make sure the entire form is completely filled out by the voter. All fields are required unless marked 'optional'.
- If the applicant has difficulty completing the form on their own (ex: disability, language), volunteers can help them to complete the form at the voter's direction including providing translation; however, only the applicant can sign the form. If you assisted, you must fill in your information in the box that indicated that you completed the form.
- Do ask everybody who is a US citizen - regardless of party - to register to vote!
- Do not offer any incentives for filling out the voter application form.
- Do not alter or write on the form in any way after the voter has left, whether it is incomplete or not.
- Do turn in all voter registration forms to the County Clerk's office as soon as possible.

WHAT IS VOTER REGISTRATION FRAUD?

- Asking someone to fill in information that is not true and accurate OR on behalf of another person.
- Knowingly asking a person who is not eligible to register to vote to complete an application to do so.
- Leading a person to believe what they are filling out is not a VR application.
- Putting fake or made-up information on the applications.
- Filling in any information on an incomplete application, including checking any unchecked boxes, without that person's consent
